Dear Angela

Thank you for your letter dated 11<sup>th</sup> May 2021.

Alfriston Parish Council are disappointed that the questions asked of you have not been addressed properly. In particular, you have responded that the practice is open in Seaford, whilst our questions relate specifically to the Alfriston Surgery, which remains closed to patients.

Far from dispelling any fears or rumours that there is no intention to reopen the Alfriston Surgery, sadly your replies thus far seem to have served only to fuel further suspicion and rumour.

Therefore, please can you answer this question:

If you have no plans in place to reopen Alfriston Surgery, what reasons do you have as to why this is so?

Of course, if you do have plans for reopening, parishioners would be delighted to hear what they are, and the Council will be more than happy to help to disseminate them.

I look forward to hearing from you.

Your Sincerely

Victoria Rutt - Clerk and RFO
