Thursday 1st July 2021

Dear Liz and Caroline

I am writing to you as it has been brought to the attention of the Parish Council that there are discussions about an early years educational setting commencing shortly in the Old Chapel Centre and that it is proposed that the Tye would be used as the outdoor space for this venture.

I am not sure if the above is correct, as no contact has been made with the Parish Council seeking permission to use the Tye. I therefore wanted to advise you that before any organised, regular, regulated activity could take place on the Tye there would have to be in place permission from the Parish Council, granted in advance.

If the above is correct, then I would hope to receive a request for permission from you in writing so that Councillors can consider it at a forthcoming Parish Council meeting.

I look forward to hearing from you.

Your Sincerely

Victoria Rutt
