

DIVERSION ROUTE
 Northbound -
 from Weavers Lane via Deans Road, The Broadway, North Road and West Street back

DIVERSION ROUTE
 Southbound - it should be from Market Cross via West Street, North Road, The Furlongs and Weavers Lane.

TMS
 Traffic Management Services Ltd.

- NOTES:**
- All Traffic Management will be set out in accordance with the standard of safety of steelworks and roadworks code of practice. Chapter 8 of the Traffic Signs Regulations and Code of Practice.
 - Any sign reference numbers used in this drawing refer to either the sign reference numbers contained within the Traffic Signs Regulations and Code of Practice or the sign reference numbers contained within the Traffic Signs Regulations and Code of Practice.
 - All diversion signage will be fully installed before the closure is brought into effect.
 - All signs must be set out with the correct signposts on the road.
 - Signposts must be set out with the correct signposts on the road and will be positioned so as not to obstruct any other sign, footpath or visibility.
 - The inner boundary of the safety zone is marked by a 'C' but is to be positioned at a distance from the road edge of the road to allow for appropriate clearance for the speed of emergency.
 - Any overhead cables shown on this drawing are for guidance only. The contractor shall make themselves aware of the exact position of all overhead cables and ensure that they are not obstructed by any signposts or other equipment. Underground services are not shown but should be anticipated.
