

### **Update on Cityfibre Roadworks**

Alfriston Parish Council has been notified by CityFibre that the remaining permits for the works in 2025 have now been cancelled. The two that are currently in progress on Whiteway and River Lane are due to finish shortly.

CityFibre will be holding a public meeting for the residents and businesses of Alfriston, ahead of a new plan of road closures to be scheduled for January 2026.

We will share the date of this meeting in due course.
